In the early hours of the morning DI Mark Tartaglia is called out to a London hotel to investigate the murder of a young woman. It turns out to be the same hotel he has just left after a drunken one-night stand. And when he recognises the victim, the case takes a dark and personal turn.

At the same time, another case – the body of a homeless man found in a burnt out car – ramps up when tests reveal that the body has been assembled from the parts of four different people.

Under mounting pressure from the media and unsure where his loyalties lie, Tartaglia must solve this macabre new puzzle before the Jigsaw Killer strikes again.
